

# EXTRAORDINARY SERVICE AWARDS - 2010

*Recognizing Those Who Go Out of Their Way for Children and Families in Queen Anne's County*

Community Partnership Board Members and Staff have the unique benefit of nominating people or groups whom they believe have gone above and beyond their duty in helping our communities' children and families. Nominations can be made for people who provide direct services or indirect support through work behind the scenes. Awards are typically made in the key areas in which the Partnership is charged as a Local Management Board.

To nominate a person or organization simply describe why you think they are deserving of the award. You may call the Partnership at (410) 758-6677 if you need assistance or would like to nominate a person or group verbally. Additional copies of this form are available on [www.communitypartnerships.info](http://www.communitypartnerships.info) and then click on "Our Board."
